Enzyme Treatments

Papaya Pineapple Enzyme Mask - Vegan / Paraben-Free / Phthalate-Free / Gluten-Free

Skin Types: All skin Types

Description: The Papaya & Pineapple Enzyme is a mild exfoliating formula that can be used on all skin types. Enzymes are proteins that dissolve and breakdown dead skin cells and help to rebuild the skin at the same time. Enzyme exfoliation relies on the biological action rather than physical abrasion. The Papaya (Papain) enzyme is derived from the leaves, seeds, skin and fruit of the Papaya. Papaya is a digestive enzyme and when applied topically it helps to soften the skin giving it a radiant healthy glow. Other nourishing benefits of papain include Vitamin A, C, E and carotenoids. These antioxidants also reduce inflammation of the skin. Papaya also helps to exfoliate dead skin cells that cause clogged pores. When used topically Bromelain speeds healing and dissolves cross-linked collagen cells, reducing the appearance of wrinkles and uneven pigmentation.

Ingredients: Organic Aloe Leaf Juice, Organic Alcohol, Phenoxyethanol, Organic Pineapple Fruit Extract, Organic Papaya Fruit Extract, Organic Papaya Leaf Extract, Witch Hazel Water, Glycerin, Carbomer, Triethanolamine, Alcohol, Bergamot Peel Oil (Citrus Bergamia), Sweet Orange Peel Oil (Citrus Sinensis), Lemon Peel Oil (Citrus Limon), Ylang Ylang Flower Oil (Cananga Odorata var. Genuina), Tetrasodium Glutamate Diacetate

Key Ingredients:

- Organic papaya & pineapple extract
- Witch hazel distillate
- Organic aloe leaf juice

Directions for usage: Apply a thin layer to cleansed skin. Rinse off after 5 to 20 minutes.

Revitalizing & Firming Mud Mask - Phthalate-Free / Gluten-Free / Vegan

Skin Types: All skin Types

Description: This creamy mud masque is instantly firming and revitalizing to the skin. The combination of DMAE and MSM give this serum synergetic property that makes this a fabulous product for most skin types. **DMAE** is an amazing nutrient that extends the life of cells, inhibits the cross linking of proteins, which gives the skin a tone and firm appearance. **MSM**, is a naturally occurring nutrient found in plants, meats, dairy products, fruits, and vegetables. MSM feeds the formation of collagen and elastin while preventing and reducing cross-linking between cells, which is the primary cause of wrinkles and scar tissue. This masque is great for all skin types, but it is very active and intense (DMAE can cause a tingling sensation), so a patch test is recommended.

Ingredients: Organic Aloe Leaf Juice, Green Clay, Pink Clay, Propylene Glycol, Meadowfoam Seed Oil, Vitamin E, Sunflower Seed Oil, Organic Jojoba Seed Oil, DMAE Bitartrate, MSM, Zinc Oxide, Allantoin, Vitamin C Ester, Glycerin, Organic White Willow Bark Extract, Organic Neem Seed Oil, Organic Rosemary Leaf Extract, Organic Sunflower Seed Oil, Organic Alcohol, Xanthan Gum, Phenoxyethanol, Tetrasodium Glutamate Diacetate, Methyl paraben, Propyl paraben

Key Ingredients:

- Italian green clay & pink clay
- vegan DMAE & MSM
- vitamin C
- meadowfoam seed oil

Directions for usage: Apply a thin layer to cleansed skin. Rinse off after 5 to 20 minutes.

Rose Cooling & Regenerative Mask - Vegan / Paraben-Free / Phthalate-Free / Gluten-Free

Skin Types: All skin Types

Description: This rinse-off mask is great for all skin types. It is a calming, soothing and very cooling gel that can be used on the face and eyes for its anti-inflammatory, astringent and regenerative effects. Rose Cooling & Regenerative Mask contains antioxidant rich Rose Distillate which provides an amazingly refreshing rose scent. This mask will leave the skin refreshed, hydrated and calmed. Follow this mask with the Exfoliating Glycolic Rose Gel Mask. This treatment mask can be used in a facial, post microdermabrasion or Dermaplaning, or waxing.

Ingredients: Rose Flower Water (Rosa Damascena), Glucomannan (Amorphophallus Konjac), Phenoxyethanol, Tetrasodium EDTA

Key Ingredients:

- Rose Distillate
- Konjac Powder - Konjac is rich in protein, lipids, fatty acids, plus vitamins A, B, C, D, & E, and natural minerals such as copper, zinc and magnesium.

Directions for usage: As a soothing masque: Apply a thin layer to cleansed skin. Rinse off after five to 20 minutes. Tone and moisturize as usual.

As a gommage: Apply thin layer to cleansed skin. Allow to slightly dry and rub off. The gommage rolls up the skin's outmost dead skin cells with the mannan and leaves your skin silky-smooth.

As a Masque: Apply thick layer to cleansed skin. Rinse off after 5-10 minutes.

Hydra-Bond Booster Gel - Gluten-Free / Cruelty-Free / Paraben-Free / THC-FREE / Vegan
Hyaluronic Acid w/NanoP2 Technology / CBD 250mg / Apple Extract / Sunflower Extract

Description: This CBD hydrator uses **NanoP2 Technology** and contains **hemp nutrients** that are almost immediately absorbed directly through your skin **boosting hydration and preventing water loss**. NanoP2 Hyaluronic Acid utilizes a newly developed “Nano” molecule of CBD, small enough to penetrate deep into your skin's dermis layer where it can repair the damage – hydrate and reduce the appearance of fine lines and wrinkles. Our non-oily CBD Hydrator naturally fills in fine lines around the eyes, forehead and mouth and smooths the skins surface while restoring elasticity. Hydra-Bond Booster helps strengthen the moisture barrier delivering a balanced and a hydrated complexion.

Ingredients: Deionized Water, Dimethicone, Butylene Glycol, Caprylyl Methicone, Hyaluronic Acid, Water Soluble, Cannabidiol Extract, Glycerin, Pyrus Malus (Apple) Fruit Extract, Oryza Sativa (Rice) Bran Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract, Helianthus Annuus (Sunflower) Extract, Tocopherol, Polysorbate 20, Xanthan Gum, Corn Starch, Dimethicone Copolymer, Ammonium Acryloyldimethyltaurate-VP Copolymer, Sodium Gluconate, Phenoxyethanol, Caprylyl Glycol, Hxylylene Glycol, Ethylhexylglycerin.
