**Contact us:** Feel free to contact us at [info@aestheticbackbar.com](mailto:info@aestheticbackbar.com) and send us your logo with the private label agreement. This will tell us what packaging you selected and details about your business. We will send you an invoice via email with the order for confirmation and payment.

**Product Selection:** If you need help narrowing down your product offering let us know and we can help. Ordering samples is a great way to test formulas and narrow down your selection. You can go to our samples page to order samples.

**Turn around time:** Turn around time can take about 2-3 weeks once we receive your logo and label approval. Allow for more time if you request waterproof labels. Following orders take less turnaround time. For larger orders times may vary.
