Ready to create your skincare line?

Contact us: Feel free to contact us at info@aestheticbackbar.com and send us your logo with the private label agreement. This will tell us what packaging you selected and details about your business. We will send you an invoice via email with the order for confirmation and payment.

Product Selection: If you need help narrowing down your product offering let us know and we can help. Ordering samples is a great way to test formulas and narrow down your selection. You can go to our samples page to order samples.

Turn around time: Turn around time can take about 2-3 weeks once we receive your logo and label approval. Following orders take less turnaround time. For larger orders times may vary.

Pricing: Pricing includes label, product and packaging. Products can be purchased with minimums of 6 items per sku. If you need to order higher quantities, we can quote that for you. If you want White label skincare and do not need the packaging labeled we will deduct .50 cents for each item.

Sampling: Samples are available for private label. This is a great way to promote and cross sell your skincare. Request pricing and details.
